Webster's plan edges forward

LAST minute changes have been announced for the Webster's car park project in Axminster.

Despite the delay the changes will cause, owners Hallmark Estates say the "beginning of the evolution is on the near horizon".

The company has submitted a planning application to change aspects of the landscaping.

Hallmark Estates boss Neal Hiscocks said: "This is our final hurdle before selecting an operations route."

Planning permission to turn the derelict site into a temporary car park for up to five years was given almost two years ago after a protracted planning battle.

The site, a prominent eyesore for more than 30 years, will be turned into a car park until a long-term development plan has been devised.

Mr Hiscocks added: "We've made no final decisions on how or when the car park will be operational. Although, after a 13-year journey to this point and the last 12 months having been so momentous for the site and, indeed, the town, the beginning of the initial evolution of Webster's is definitely on the near horizon."

From the editor's chair Webster's: the final hurdle

"THE beginning of the evolution is on the horizon". Now, if I was more cynical I would be treating that statement not with a pinch of salt but a tin of Saxa!

But let's keep faith with the present. Owners of Webster's Garage in Axminster say they have just "one more hurdle" to cross before opening the town centre site that has blighted Axminster for 30 years or more as a car park.

My tongue-in-cheek reference in last week's column to the rumour that there were some in town who would like to see the weekly street market moved to the Webster's site caused a bit of a stir.

But as I predicted, it's never going to happen with current Lord of Manor, Jim Rowe, who owns the Axminster market rights, texting me to confirm that conclusion.

Planning permission for the car park was granted two years ago but the matter has been further delayed over the submission of a new landscape plan.

Although no decision on an opening date has been made, we are told that the beginning of the end to protracted negotiations are nigh. I've often wondered whether I would still be writing about Webster's until the day I retire. The announce-

ment on page 10 that Pulman's is now back in the hands of local management has delayed that eventuality so perhaps the end of the saga will happen before I hang up my notebook after all.

■ **LAST** week I was invited to talk on my career at a meeting of the fairly-recently formed Axe River Women's Institute. What a lovely bunch of ladies.

It was great to see a WI so buoyant following the closure of a number of institutes in recent times. In fact, Axe River are doing so well that they will soon be moving to a larger meeting place.

My talk is titled "From Southleigh to Soweto" because Southleigh was one of the first villages I visited as a shy reporter in the 1960s and I ended working for a time in South Africa where the company who employed me owned the Soweto Star.

My talk is peppered with a few tales from my years as a country reporter before taking over a group of newspaper in the East End of London, a huge culture change.

As I spend much of my time back in London these days, it's good to get out to meet our readers from time to time and I'm proud that Pulman's View is still greatly admired by most of them.

SOUTH SOMERSET Road deaths drop by almost 25 per cent

FRESH statistics show that road deaths in Somerset dropped sharply last year.

Figures from Somerset Road Safety reveal that 22 people were killed on the county's roads in 2015. That's 11 fatalities less than in 2014 and almost 25 per cent lower than the target set by Somerset County Council.

The council's road safety team receives police reports following any injury accidents recorded by the police and carries out its own research to identify trends and look for ways to improve safety across Somerset's 4,000 miles of roads.

Councillor David Fothergill, Somerset County Council's Cabinet member for highways, said: "I'm pleased to see a drop in the number of road deaths across Somerset in 2015 - although clearly a single death is one too many."

"As you might expect for a predominately rural county, the majority of deaths were on country roads and we will be looking at ways to raise awareness of the specific dangers associated with these types of road, as well as carrying out road improvements where a need is identified."

SIDMOUTH Sidford site back in Local Plan

A SITE previously earmarked for a new business park, which was removed from the East Devon Local Plan, has controversially been added back in - much to the annoyance of local residents and campaign groups.

In his final report on the Local Plan, planning inspector Anthony Thickett has ruled that the 'Sidford employment site' is the most appropriate option for new employment land provision and should not be dropped from the Local Plan.

The inspector also found, in relation to the Local Plan, the target of 17,100 homes between 2013 and 2031 is an appropriate housing need for the district and will meet the needs identified in the council's studies.

SEATON Chine Café set to reopen in spring

THE long-term future of Seaton's former Chine Café premises has been decided. The building, unoccupied since 2014, is undergoing a complete makeover ready for a spring launch under new proprietor Hazel Goodier, 44, a former chemistry teacher and mother of three from Branscombe.

Ms Goodier has taken a 25-year lease on the 1920s-style building.

It is hoped the café will be open by early spring.

HONITON Dementia group to build on success

HONITON Dementia Action Alliance has announced plans for 2016 and hopes to build on the success of last year.

Honiton was recognised as a 'Dementia friendly town' in 2015, thanks to the work by the Dementia Action Alliance steering group headed up by chairman Heather Penwarden.

The steering group is made up of a number of individuals, organisations and businesses committed to working towards transforming and improving the quality of life of those living with dementia and their carers in the Honiton area. The steering group is supported by the town council and the chamber of commerce.

The Honiton DAA plans on creating a 'Dementia friendly generation' in the town and in 2015 nearly 650 dementia friends were created in Honiton.

The awareness sessions are open to the public.

OTTERY ST MARY Decision due on quarry proposal

DEVON County Council will meet on Wednesday to decide the fate of Straitgate Farm, once and for all.

A 100-acre quarry, near Ottery St Mary, has been proposed for the site and has now been formally recommended for approval for inclusion in Devon County Council's minerals plan. The decision will be made by councillors on the Development Management Committee (DMC) on January 27th.

There are several objectors to the plan including East Devon District Council who have cited potential negative impacts on landscape, flood risk, Exeter Airport and Straitgate Farmhouse.

Another issue raised is the potential consequences it would have on the local economy, with shops and property prices being the worst hit. DCC have said that the Minerals Plan would contain policies that would minimise the impact on residents near the site but have yet to say what these policies are.

EAST DEVON Local Plan milestone

EAST Devon District Council has said a "key milestone" has been reached with its long-awaited Local Plan, as the independent planning inspector has confirmed it is "sound", subject to modifications.

East Devon District Council (EDDC) can now move forward to formally adopt the Local Plan and the additional Community Infrastructure Levy (CIL) charging schedule. A meeting to adopt the plan is expected at the end of January.

The Local Plan documents are the culmination of years of work as the council has assessed many possible development sites and addressed thousands of consultation responses with communities and individuals across the district.

Police appeal on Ilminster burglaries

POLICE are appealing to the public for information after two burglaries in the Ilminster area on the same day earlier this month.

The first burglary on Wednesday, January 13th was in the Lower Horton area of Ilminster and the second in the Stocklinch area. The burglars broke into the properties and stole jewellery and electricals.

A red vehicle was seen close to one of the properties during the time of the burglary and the Investigations Team are keen to hear from anyone who might have seen anything or anyone suspicious in the area at that time. They are particularly keen to hear from anyone who may have seen a red vehicle perhaps parked up in the area.

PC Jim Card from Yeovil Police Station said: "I would be interested to hear from anyone who has information about these two incidents."

"Burglary is both a priority for the Constabulary and the PCC. We know that being burgled can be very traumatic and unsettling. We want to try and prevent

this type of crime from happening at all and the public can play a huge part in helping us to help them and taking some really simple crime prevention measures can really help deter opportunist thieves.

"We are also committed to detecting these crimes and bringing offenders to justice, so I do appeal to the public to get in touch if you have any information at all about these incidents, even if you think it might be small or insignificant. Sometimes those are the details that really make a difference to an investigation!"

If you have information about the two incidents you can call PC Card on the 101 number and quote reference number 5216008996 for the Lower Horton area incident and 5216008857 for Stocklinch.

Alternatively you can contact the independent charity Crimestoppers by visiting their website or calling them on 0800-555-111. They never ask your name or trace your call and you may be eligible for a cash reward.

Recycling centre to go cash free

CHARD Recycling Centre is going cash-free for the month of February, in a trial that will see it taking payments only on "plastic".

Payments will be accepted on Visa and MasterCard credit and debit cards, Visa Electron and Diner's Club, including contactless cards.

Security and safety of staff has been cited as the reasons for the trial, as Chard takes a wide variety of charged-for materials, with waste levels rising year-on-year. These include items classified as non-household, such as gas bottles, soil, hardcore and tyres, brought in by residents, as well as a wide range of domestically-generated vehicle parts.

Businesses are charged to recycle or dispose of two dozen commercial waste materials, from timber and fridges to plasterboard and fluorescent tubes.

Like all recycling sites in Somerset, Chard also does a brisk trade in "Revive" soil conditioner at £4 a bag and £10 for three.

Chard Recycling Centre was chosen as the trial site as the staff are experienced in handling payments on plastic and the current level of transactions is manageable.

It is also one of 10 sites that accept paid-for businesses' commercial waste, and - in a separate scheme - among the 10 sites that takes paid-for residents' vehicle parts for recycling or disposal.

After the trial the results will be considered by the councillors on Somerset Waste Board before any decision is taken about whether to extend it to other sites in future.

A Somerset Waste Partnership spokesman said: "As the rest of the world goes cash-free, we need to see if this might work for payments at recycling sites, with Chard the testbed."

Details of Chard Recycling Centre, from opening hours to materials taken and links to lists of charges, can be found online at www.somerset-waste.gov.uk/sites/list/chard

Theatre donates funds to two charities

THE Octagon Theatre in Yeovil has once again been busy fundraising for good causes over the winter months.

This year's chosen causes were Yeovil District Hospital's Children's Ward, which is fundraising to make their ward more suitable for its younger patients, and The Foyer Club, a registered charity who fundraise to support the arts locally.

The theatre's annual bucket collection that ran throughout 49 record-breaking pantomime performances, coupled with a local choir concert at St John's Church in December, has raised a staggering £9,426.94.

The total amount raised was divided between Yeovil District Hospital (YDH) and The Foyer Club with a cheque for £4,713.47 presented to Sarah Cherry to help with YDH's fundraising to improve the Children's Ward.

With the money raised throughout their fundraising, YDH hope to improve the Children's Ward to relax and engage child visitors to the ward, in order to make the environment feel less clinical through artwork, light boxes, animations and projected images.

Since 2004 the Octagon Theatre's Christmas charity bucket collection alone has raised over £60,000 for local charities and good causes.

Adam Burgan, arts and entertainment manager of the Octagon, said: "We are delighted to be able

■ **CHARITY FUNDS:** Adam Burgan, arts and entertainment manager of the Octagon Theatre, presents Sarah Cherry of Yeovil District Hospital, with a cheque for £4,713.47. Members of Adam's Octagon team are also pictured

to support such fantastic local causes through our annual Christmas bucket collection and festive concert.

"Our brilliant patrons have once again shown their generous support and we would like to thank everyone who has contributed to these collections over the years. We hope that they will continue to go from strength to strength."

Police commissioner and MP discuss station's future

YEOVIL Police Station and the Yeovil One Team were the two main points discussed when Avon and Somerset Police and Crime Commissioner (PCC) Sue Mountstevens met with local MP Marcus Fysh.

The future of Yeovil Police Station and its custody suite has been the topic of debate for the past few months, with many residents openly expressing their views regarding the building and policing presence within the town.

At the meeting, Ms Mountstevens reiterated her position to the MP that no imminent decisions on the station have yet been made. She also made it clear that, regardless of the future of the current building, the police are committed to ensuring that an enquiry office and visible policing presence will remain within the town.

Co-location within Yeovil town centre is one of the options being explored and would support the progress being delivered by the Yeovil One Team, which sees a range of agencies working together on various issues facing the communities of Yeovil.

PCC Mountstevens said: "I committed two years ago to review the constabulary estate to reduce over-sized and underutilised police buildings by 36 per cent by 2019/20 in order to focus funding on police officer and PCSO numbers.

"Yeovil Police Station remains within that review, due to the fact that only half of the building is being used and is expensive to run. I have agreed to look at options of sub-letting the surplus space."

The station currently supports a number of functions such as neighbourhood policing, response of officers and custody as well as hosting five custody sergeants and eight detention officers despite only receiving on average one detainee ever four hours in a 24 hour period.

Ms Mountstevens also shared with Mr Fysh an

update following her recent scrutiny visit to the Yeovil One Team, a Community Safety Grant-supported project made up of police and various other partners.

Representatives at the meeting included police, housing, trading standards, environmental health, mental health and fire service who spoke about various issues including street drinkers, individuals responsible for causing anti-social behaviour (ASB) in the town centre and ASB linked with supported housing.

PCC Sue Mountstevens said: "Multi-agency working across a variety of services and skill sets ensures the highest level of support for helping vul-

nerable people and those involved in criminal activity. The dedication and commitment from everyone involved in the Yeovil One Team approach is clearly making the town a better place to live and work.

"I've seen first-hand how a one team approach works in other parts of Avon and Somerset and I'm delighted to say Yeovil is one of them."

The aim of the Yeovil One Team is to develop an integrated model of neighbourhood service delivery to reduce demand and prevent crime and disorder within the Yeovil Central Beat. In utilising the services of multiple partners and agencies, victims receive a tailored service offering the appro-

priate support as and when they need it.

Prevention is also key in helping our most vulnerable. Working together provides the opportunity to intervene earlier, supporting individuals who might otherwise turn to a life of crime.

Ms Mountstevens ended the meeting offering Marcus Fysh MP the opportunity of going out with the Yeovil One Team.

Local people are also invited to share their views on local policing in the area with PCC Sue Mountstevens either by emailing pcc@avonand-somerset.pnn.police.uk or by calling 01275 816377.

Council appeals for foster parents for children with complex backgrounds

SOMERSET County Council is on the hunt for people with enthusiasm, drive and life experience to help vulnerable children and young people in crisis.

The Fostering Service has launched its Single Placement Fostering Scheme - aimed at proactive, flexible individuals and couples with the determination to help children and young people in our care who have complex backgrounds and often display challenging behaviour.

This new scheme represents a rewarding, specialist branch of fostering, focusing on one child or young person at a time.

Aged 10 and over, these children and teenagers cannot live with their birth families, and will have high level needs - behavioural, learning, emotional or medical - which means they must be the only young person in the household.

People who become Single Placement Carers will be part of a professional team, committed to supporting the young person with whatever comes up, and helping them make positive steps in their lives.

They would need to be home-based, and will receive a weekly fee of £375 a week in recognition of their skills and responsibilities, as well as payments in between placements. Carers will also be given high level support and supervision from the Single Placement Care team, and the chance to attend a bi-monthly support group with other professionals to get advice and discuss strategies for helping the child or young person.

The child or teenager might need a high level of supervision and display behaviour that is of concern. They may have experienced abuse or neglect, or have parents unable to care for them. They could have complex medical needs and disabilities, or need help tackling their use of drugs and alcohol, or be known to the police.

Councillor Frances Nicholson, Cabinet member for Children and Families, said: "We know there are talented, unflappable individuals in Somerset who have the potential to make an astonishing difference to these young people, and help them confront their challenges head on. We really want

to hear from them.

"Perhaps you were that child or young person who found yourself getting into trouble at school or college, or with the police. Maybe you had someone you relied on who helped you turn your life round, and you want to make your mark by giving something back.

"Maybe you really struggled with your behaviour, and know what it's like from that perspective. You might already work with young people needing extra support and structure, or have experience of dealing with difficult children and teenagers.

"These children and young people need their chance to find the person who can help them start on the right path, and unlock their potential. Could this person be you?"

Home Energy Centre to offer free advice and information

FREE and impartial energy advice and information will be available during an open day at the Home Energy Centre in Chard on Wednesday, January 27th.

The Home Energy Centre Chard is based at 2 High Street at Somerset Media Solutions, the community-based IT centre.

In the friendly, helpful atmosphere visiting householders can chat, and browse and read brochures and other information sheets and look up the products and services available locally (and some further afield) that will help with energy-efficiency measures.

The first Home Energy Centre was opened in Ilminster in 2011, founded by two local citizens who understood that householders need easily-accessible, free information and guidance about energy efficiency and renewable energy generation.

In 2015, a Home Energy Centre was also opened

in Chard to help local householders have access to energy-efficiency information to increase their well-being as well as helping reduction of fossil-fuel energy consumption and of carbon emissions in the home

At the Open Day details of the Warmer Improved Somerset Homes (WISH) initiative will be available, especially of interest to householders in colder homes needing improvement.

Another project about which details will be available is Ofgem's Be An Energy Shopper, a project to help householders switch to a cheaper electricity supplier.

Info on LED lighting, solid wall insulation and household appliance maintenance and replacement will also be provided during the Open Day

All are welcome to the open day, open from 9.30am to 5pm. For more information, contact 07518039458 or hec@localgen.org.uk

Rotarians learns about Project Romania

AT a recent regular meeting of the Rotary Club of Chard the members received an interesting talk from Mr and Mrs Andy Fletcher on Project Romania.

This project has been running for 25 years and was started by Chard Churches Together in 1994. The charity is run by trustees from the various churches in the town.

The aim of the charity is to share the love of God through practical help in helping children and the poorest in the community in Seica Mare, Transylvania, and to encourage educational programmes and cultural pursuits and assist in getting work and encouraging self

help.

Projects have been undertaken in five villages since its inception and a visit to Chard by members from the commune in 2008 was highly successful. A community centre was completed in 2005 and is proving very beneficial.

Regular fundraising is undertaken by the charity and more information on this can be obtained from the website www.projectromaniachard.org.uk

After many questions Mr and Mrs Fletcher were warmly thanked by the Rotary president Robin Williams.

Ferne Animal Sanctuary to host cookery classes with resident chef

MEMBERS of the public are invited to come and bake bread with Ferne Animal Sanctuary resident chef Richard Kingdon.

Participants will learn how to prepare and cook varieties including Irish soda bread, focaccia and gluten free.

Richard said: "I'm really looking forward to running these cookery classes. It's a new and educational activity, which should also be great fun for all involved."

Event organiser Sarah Jackson said: "The cookery classes are aimed at adults which add a new and different element to our programme of events here at Ferne."

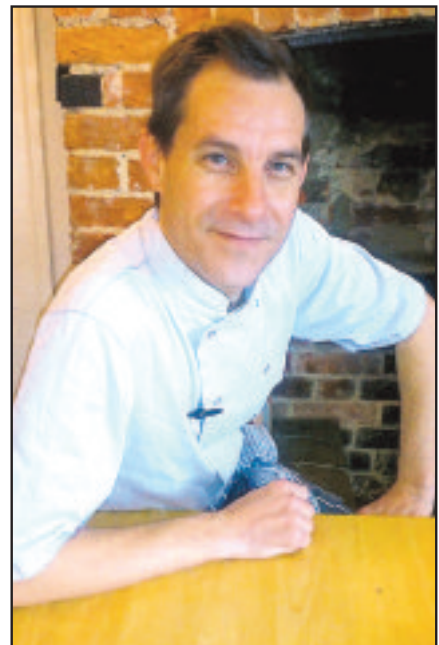

"This is a great opportunity to learn and our chef Richard will teach participating bakers how to get their dough to rise to the occasion."

The event is on Thursday, January 28th from 10am to 1pm costing £20 per person and is only open to the first 10 applicants.

All equipment and ingredients are included. Full payment is required on booking and is non-refundable.

Sarah added: "A second session is planned for Thursday, February 25th. This will be 'Dessert Craft' where participants will learn how to create restaurant quality desserts."

"This workshop will be £30 per person inclusive. The classes will help raise money for us to care for the animals we have on site and will be particularly well received as we are currently fund raising to build a special care cat unit."

■ RESIDENT BAKER: Richard Kingdon

All cookery workshop bookings should be made to Sarah on 01460 67587 or by email to frm@ferneanimalsanctuary.org

Holyrood hosts talent contest

BOUNDLESS ability won Year 7 student Moet Yamada the title in the Holyrood Academy's Got Talent Show.

Sixth form students from Holyrood in Chard staged the event to showcase and judge the most talented students.

An academy spokesperson said: "The senior team, led by Courteney Yeoell, held numerous auditions during school and then invited the finalists to show off their talents at an evening spectacle in aid of The Alzheimer's Society."

Judges were principal Martin Brook, governor Jonathan Farey and his daughter Jemima

Farey.

Mr Farey said: "It was extremely hard to choose one winning act because they were all so talented yet so different.

"Among the hugely talented magicians, dancers and singers was the winner, Moet Yamada from Year 7. Despite never having had any professional training and being completely self-taught Moet was truly amazing with her exceptional gymnastic routine and boundless ability."

Runners-up were a team of gymnasts consisting of Maddie Grabham, Ellie Hull, Ellie

Knight and Cerys Llewelyn, all from Year 8.

Miss Farey said: "These girls were brilliant as a team but were all extremely talented individually as well."

The evening was compered by the very entertaining Sam Hunt and Ethan Smith and audiences were further entertained by the Sixth Form Band, made up of Courteney Yeoell, Otterly Farey, John Davis and Jordan Barker, and Poppy Orr-Ewing from Year 9 on her violin.

A total of £426 was raised for the Alzheimer's Society and a huge amount of fun had by all.

Chard students inspired by British astronaut Tim Peake

ENTHUSIASM: The workshop based on the International Space Station was very popular

ROCKET science is frequently studied at Chard School as it is one of only four schools in the South West signed up to of the European Space Education Resource Office Tim Peake Primary Project (ESERO-UK).

The project aims to inspire children in science, technology, engineering and maths learning in the context of space exploration.

As part of the project the children were very excited to welcome Jo Richardson, who is an ESERO-UK Space ambassador, to the school to run a workshop for them in the school sci-

ence lab. The children learnt about British astronaut Tim Peake and his current mission and worked together to build their very own International Space Station models using a variety of materials.

Mr Lucas, head of science, said: "We are very proud and excited to be part of this project, the children were fascinated and inspired by the workshop that Jo ran at the school this week.

"They are now looking forward to the next stages of the Tim Peake project."

Salon celebrates 10th anniversary

Pure Hair and Beauty in Chard celebrated its 10th birthday by treating customers to a cream tea. There was also a raffle and the celebration as a whole raised £900 for St Margaret's Hospice. Photographed left are some of the staff members having prepared the cake stand.

Plans set for annual Potato Day

CLAPTON, Wayford, Drimpton and District Horticultural Society's ninth annual Potato Day will be held on Saturday, February 6th from 10.30am to 2.30pm in Drimpton Village Hall.

An event spokesperson said: "Whether you are an experienced grower or just starting out on veggies, you will find this a friendly and useful event. There is no need to book, there is a small entry fee of 50p, which includes a tea or coffee."

Parking is available at the village hall and nearby. Potatoes can be pre-ordered to collect on the day by visiting the website www.pennardplants.com

PROVIDING REFUGE FOR UNWANTED ANIMALS

About Ferne

Ferne Animal Sanctuary has been saving the lives of unwanted and abandoned animals for an incredible 75 years. Your support will mean this vital work can continue.

Ferne Animal Sanctuary strives to provide care and refuge for unwanted domestic and farm animals. The Sanctuary rehomes dogs and cats within a 40 mile radius of Ferne. Some horses and ponies are available for permanent loan; all other animals remain at the Sanctuary for the rest of their lives. The Sanctuary relies entirely on donations and legacies to continue its work.

Some of the animals come to Ferne because they have been neglected or are no longer wanted. Others come to us because of circumstantial changes of their owners. All animals are given the care, attention and TLC they need to enjoy a happy life while they are at Ferne.

Loving Dog Looking For a New Home

NIKO is a 5 year old male neutered Alaskan malamute x Akita who has been at Ferne Animal Sanctuary for 2 months now and is really unhappy being in the kennels.

Although he gets lots of care and attention from the Animal care staff he really needs a place he can call home with a loving owner who is home most of the day as he doesn't like to be left on his own for too long. He is looking for a quiet home in the country as he doesn't cope very well in built up areas.

He will tolerate other dogs but would be better as the only pet in the home as he likes all the attention. Niko is nervous of strangers due to being mistreated in the past and will need time to get used to new people and learn to trust humans again. He is a very affectionate loyal dog and would be a wonderful companion once he gets to know you.

Ferne Animal Sanctuary is desperate to find Niko a permanent loving home with a special owner who can give him another chance of happiness.

Family building firm celebrates 120th anniversary

A BUILDING company based in Horton, near Ilminster, has just celebrated its 120th birthday, and is looking forward to many more.

J. Layzell and Sons celebrated 120 years of traditional craftsmanship at the end of last year.

A company spokesperson said: "There are many Layzell builders locally, as the descendants of Jeremiah Layzell, who founded J. Layzell and Sons in 1895, spread his family and talents across the South West.

"There is, however, only one J. Layzell and Sons and they are still based in the same location, in the same yard at Horton as their great grandfather was.

"The 'J' is what links the current generation with the past as every male Layzell continuing the original business has either their first or middle name beginning with J.

Current managing director Harvey Layzell explained: "At one time there was a huge saw pit as well as a lime pit, a smithy and joinery. We made wheels, carts and even coffins. The business peaked just before the great depression when there were 70 men working for us."

The same skills have been handed down through the generations, and Harvey grew up in Horton with the yard as his playground.

Surrounding him were houses his ancestors built and up the road is the church his great grandfather built in 1897.

He said: "It's wonderful that the church still plays such an important part in our lives. Our children were christened there and our oldest daughter is buried there."

Their younger daughter Amelia, 15, is a fifth generation Layzell but shows no sign of joining her father in the building trade.

Harvey's great grandfather had six sons, two of whom set up building businesses in Devon, leaving Harvey's grandfather Wesley to take over from Jeremiah.

emiah.

Following WWII there was a property boom and J. Layzell and Sons established their reputation for quality, luxury, modern developments.

Wesley had three sons who he sensibly trained to cover all important skills; Peter became a plumber, Tim a painter and decorator, and Michael a joiner.

Michael left as soon as he finished his apprenticeship in the early 1970s, leaving Peter and Tim to continue until Wesley retired.

Peter carried on the business in the early 1980s, continuing the high standard in house building and the refurbishment and repair of historic buildings.

Attracted by the romance and complexity of conservation, Harvey has forged an enviable reputation winning numerous awards including the prestigious SPAB Fellowship in 1994.

He concluded: "The beauty of old buildings is that they were here before us and will be here long after we are gone.

"Working on Broadway Methodist Chapel reinforces this, as my grandfather added the Sunday School extension and we are now updating and re-vamping the interior to suit modern requirements. "It's exciting when things go full circle like this."

■ **MANY HAPPY RETURNS:** The Layzell family with the majority of the team and associates, pictured at Christmas

FORTY members of Ilminster Twinning Association met at Ilminster Bowling Club this week for a belated Christmas lunch.

Association president Rita Peasland said: "We are all so busy in the run up to Christmas it seemed a good idea to postpone our get together to give us all something to look forward to in the new year. We are now starting plan for our trip to Riec-sur-Belton later in the year.

"This cross cultural exchange is really valuable and it looks as if there will be a good crowd of us going. We are always happy to include others who wish to join us, or better still, become new members."

Students study all things Stars and Stripes

FROM cheerleaders to Minnie Mouse and from cowboys to Captain America, the children at Greenfylde First School in Ilminster dressed up as all things American on their special USA Day.

As an introduction to this term's topics in English and geography, the children had a fun-filled day finding out about the United States, its geography and some of its history.

Then, as part of their work in English, they learnt the story of "Brer Rabbit and the Tar Baby". The drizzly weather did not dampen their spirits when they had hotdogs and songs round the campfire with Forest School teacher Vernon Higgins.

Management takeover at *Pulman's View From Newspapers*

NEWSPAPER proprietor Sir Ray Tindle has sealed a ground-breaking deal which passes ownership of some of his leading titles to the people who run them.

Pulman's View in Devon and Somerset and the *View From* series in Dorset, along with the capital's *South London Press*, *Mercury*, and the *London Weekly News* titles, including the *Westminster*, *Fulham* and *Hammer-smith Chronicles*, *Kensington & Chelsea News* and the *Westminster & Pimlico News* series, now pass into the hands of executives Philip Evans, Karen Sheppard and Hannah Walker.

However, Sir Ray insists the deal does not signal his retirement. He is now celebrating his 90th year and has no intention to stand back from front-line management.

He says the sale is to ensure the long life of the papers which include some of the oldest in the country.

The deal still leaves him with the ownership of approaching 200 titles across the country (plus percentages from eight per cent to 49 per cent in more than

another 200 papers making his interest in the local press still total more than 400 titles). He intends to remain hands-on.

In this unique deal Sir Ray also remains a 10 per cent shareholder in the newspapers with Karen, Philip and Hannah holding equal shares of 30 per cent each.

The new group owned by Philip, Karen and Hannah is called Capital Media Newspapers Limited and will continue to operate from London and Lyme Regis.

The *South London Press* celebrated its 150th anniversary in 2015 and Sir Ray threw a party on board HMS *Belfast* in London attended by HRH the Countess of Wessex, Secretary of State For Culture Media & Sport, John Whittingdale, and the entire staff of the paper.

At the event Sir Ray emphasised the key role local newspapers play up and down the country and how they are fundamental to democracy. Sir Ray Tindle, who bought his first paper after receiving demobilisation money as did all those who were in the Army dur-

ing the Second World War, has a career history of making failing newspapers viable.

With a staff he describes as one of the very best in the UK press, Tindle Newspapers has launched, or bought up, 47 titles since the start of this recession.

On this latest announcement Sir Ray said it made complete sense to sell the London and Dorset titles to the people who currently run them. He wished Philip Karen and Hannah and the whole staff all the very best for the future.

He said the staffs of these papers were superb.

Philip, who originally launched the *View From* series, said: "Having managed local newspapers in London earlier in my career, I am looking forward to the challenge of working alongside Karen and Hannah in continuing to build our stable of titles in the capital as well as retaining my Dorset, Devon and Somerset links with *Pulman's Weekly News* and the *View From* series, which I launched in 2005. All three of us share Sir

Ray's undeviating faith in the future of local newspapers and we are excited by the opportunity he has given us and the talented staff we will lead."

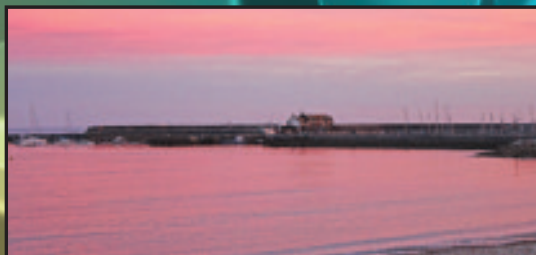

Philip is also joint managing director of the London Weekly News Group, which is edited in Lyme Regis.

Karen, who has been managing director of the *South London Press* for 18 months and who successfully managed Sir Ray's business in Farnham previously, said: "This is an extraordinary opportunity, one which I embrace whole heartedly.

"I look forward to continuing the successful programme of change and improvements the team have been working on for the past 12 months, building on the launch of new titles in central London and enhancing the reputation of the *South London Press* as one of the capital's iconic local newspapers with 150 years of history behind it."

Double cheque presentation at Antiques Bazaar

ANTIQUES Bazaar's retro trader Keith Chinn, who is serving in Her Majesty's Armed Forces, pledged 10 per cent of his November sales to the Royal British Legion Poppy Appeal.

The Crewkerne-based Antiques Bazaar agreed to match Keith's contribution, so a presentation of £110 was made by Mr Chinn and Antiques Bazaar to Royal British Legion fundraisers June Webb and Danny Pettit last week.

Antiques Bazaar is home to 100 individual traders specialising in a vast variety of antiques, vintage, retro goods and collectables.

Photographed top left are Anthony Bucke of Antiques Bazaar, June Webb of Crewkerne British Legion, retro trader Keith Chinn and Danny Pettit, also of the Royal British Legion.

■ THE run-up to Christmas saw hundreds of children meet Santa

Claus in his grotto at Antiques Bazaar in Crewkerne over three Saturdays in December.

This was only possible because of the support from Crewkerne Lions Club, which provided Santa and his helpers and a cheque amounting to £238 was presented to Crewkerne Lions Club last week at Antiques Bazaar.

Bazaar proprietor Anthony Bucke also praised local builder Andrew Lawrence and his family, saying: "Andrew was a major help in ensuring we had a lovely Christmas tree again this year on our prominent corner at the bottom of Kithill."

Man cut from overturned car

ONE person had to be cut free from wreckage after a car overturned at North Perrott, near Crewkerne.

The accident happened at about 4.15pm on Thursday, January 21st.

"Upon arrival, crews found a single-vehicle road traffic collision with the

car on its side in a ditch after hitting a tree. Crews confirmed that there was one male still inside the car."

"The vehicle was stabilised before the casualty was cut free."

A spokesperson for the ambulance service said that one other person also needed treatment. Both were taken to Yeovil District Hospital, but the extent of their injuries was not given.

Firefighters were called to Furland Road just after 7.45am, and a spokesperson for the fire and rescue service said: "We were called to reports of a coach wheel on fire. One fire appliance from Crewkerne and one from Yeovil were mobilised to this incident.

"Upon arrival crews confirmed small fire within the brakes which was out on arrival. Crews used minimal water to cool the brakes. The cause was accidental."

■ **WASSAIL:** The Meeting Voices choir entertains. Pictured left, Amanda Bell serves hot dogs and Nigel Hayler, the Lord of Misrule, in smock and illuminated top hat

Hinton hosts traditional wassail ceremony in woods

Held in the new three-acre Jubilee Wood and community orchard, Hinton St George's traditional wassail ceremony attracted about 150 people on January 16th.

Hot dogs and homemade mulled cider were enjoyed before Nigel Hayler, the Lord of Misrule, led the crowd on a 250-yard procession along a candle lit trail to the centre of the wood.

Many carried willow lanterns made at workshops held in the village hall the previous weekend.

Don Morecombe of Hinton St George Jubilee Woods Committee said: "Once in the centre of the wood, Meeting Voices community

choir, led by Peter Linnett, lustily sang some wassail and seasonal songs and Babylon Border Morris performed some lively and energetic stick dances.

"The Lord of Misrule then performed the wassail ceremony with a traditional apple howling before inviting two local children to pour cider around the base of the guardian apple tree and then place a cider soaked piece of toast in its branches.

"The ceremony ended in the traditional way when all present were invited to make a cacophony of sound to wake the tree spirits from their slumber and frighten away the evil spirits."

Warning over fires caused by reflection of sun's rays

DEVON & Somerset Fire & Rescue Service has warned about fires caused by the sun's rays focussing through or onto glass, and then setting fire to nearby objects.

At this time of year the winter sun is low in the sky and shines directly through windows.

Any mirrored or glass items close to the window may re-focus the sun's rays onto combustible items, often curtains, heating them up to a point where they spontaneously ignite into flames.

Paul Bray, community safety protection manager for Devon & Somerset Fire & Rescue Service, said: "Many people do not realise the dangers of leaving glass objects too close to windows.

"Anything that can concentrate the sun's ray should be moved away from the window to reduce the risk of fire breaking out, especially where the sun can shine directly into the room.

"I have personally attended two fires caused by make-up mirrors, positioned on dressers, in bedrooms.

"One of these fires occurred in the early morning, with the sun shining through a south-east-

erly facing window, and the other occurred in the early evening, with the sun shining through a south westerly facing window. Both days were bright and sunny, but not hot.

"If any of your rooms are penetrated by bright sunlight, especially at this time of year, carry out a check to make sure any glass objects cannot re-focus the sunlight to create a fire.

"Now would also be a good time to discuss your fire procedures with the rest of your family, fit or check your smoke alarm is working, and put into practice a simple routine of shutting internal doors, not only as part of a bedtime routine - but also whenever you leave your home unattended, as even a light internal door will prevent or reduce smoke and heat damage to a rooms contents."

Make the call to request free Home Safety advice call free on: now 0800 05 02 999. For any other fire safety advice, contact the Devon & Somerset Fire & Rescue helpline on: 01392 872288 or visit our website www.dsfire.gov.uk

Chard care worker rewarded for going 'above and beyond'

A CARE worker from Chard has won top recognition at the Great South West Care Awards.

Somerset Care is delighted to announce that, following her recent acknowledgement at the group's own awards, Pat Dare has now been named as the winner of the Home Care Worker award at the Great South West Care Awards.

Pat, who works for Somerset Care's Community Services team in Chard, was nominated for going

above and beyond by Linda, one of her clients.

As a regional award winner, Pat has now been shortlisted and invited to the Great British Care Awards, a national awards ceremony, which takes place in May 2016 in Birmingham.

The regional awards ceremony took place at Cheltenham Racecourse and Pat was delighted to have been accompanied by her nominator Linda and Matthew Brook, care manager.

Another Somerset Care employee, Janet Conway, who works at The Halcon Centre in Taunton, was also shortlisted for a regional award but unfortunately was not announced as a winner on the evening.

Speaking about Pat's achievements, Matthew

Brook said: "We are all extremely proud of Pat; being recognised as an award winner for home care across the South West region is a huge achievement. Her colleagues and clients are all really pleased for her and we're counting down until the national ceremony in May."

Somerset Care is one of the largest not-for-profit healthcare providers in Southern England. The society promises a "modern themed pantomime with all the traditional characters, plenty of lively songs and dances".

Sponsored spin in aid of cancer charities

FUNDS for two cancer charities will be raised in Chard next month when cyclists get on their bikes for a charity sponsored spin.

The event is being held on Sunday, February 21st at the Max Cranage Personal Training outlet at Unit 12 on Bartlett Park on Millfield.

Spinning is indoor cycling on static bikes where people exercise in classes focusing on endurance, strength and high intensity sessions.

Money raised will be split between the Chard Rotary Club and its designated charity of the Teenage Cancer Trust and the Chard-based Rib-bon Cancer Support, Awareness and Fundraising group who will be donating to Macmillan Cancer

Support.

People will be able to "spin" for as long as they like between the hours of 8am and 8pm and slots are available in 15-minute segments and need to be booked.

The "spinnners" can get a sponsorship form to raise more money for the charities and book their slots through Tracey Murphy on 07814-758917.

Anyone under the age of 16 will need adult supervision to take part in the sponsored spin.

There will be a cake stall, refreshments and a raffle on the day to help boost funds further for the event which is being organised by spin instructor Kylie Smolden.

LOOK GOOD FEEL GREAT

Bowen Therapy and Energy Healing

Melanie Philip

Bowen Often Helps with Pain When Nothing Else Does?

THE Bowen Technique (Bowen Fascial Release Technique or Bowen Therapy) has been my passion ever since coming across it in 2008. The treatment itself carries no contra indications; it is a treatment that is appropriate for everyone as it is a gentle hands on form of bodywork, with no manipulation of hard tissue or force applied.

It has a very successful record of helping people presenting with a wide range of issues on many levels and is not restricted to just structural imbalance. The list is endless really.

Hundreds of people each year use Bowen to change their health.

The Beauty of Bowen is that it can support and help restore structural function in as few as 3 or 4 sessions and has a great reputation for reducing pain for people with conditions such as: Musculoskeletal, Respiratory, Chronic, Digestive, Gynecological, Mothers, Babies & Children & general improvement of Stress/Anxiety, Energy Levels, Posture, Mobility & Sleep.

Bowen Therapy is one of the most versatile therapeutic interventions available today and it really does seem to work when nothing else does.

It compliments orthodox medicine brilliantly but Bowen Therapy is not intended as a substitute for medical advice or treatment.

If you are unsure, or have any concerns, please feel free to contact me to discuss your case.

Podiatrist / Chiropodist

Lindy Parry

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

Pilates

Nikki Pettitt

Pilates with Nikki, BSc (Hons) Physio, Member Chartered Society of Physiotherapy

MY physiotherapy background has helped me develop a keen interest in Pilates training to promote postural strength and conditioning. I use a modified Pilates approach, designed by physiotherapists for physiotherapists teaching Pilates. Modified Pilates breaks down the traditional Pilates repertoire into clearly defined matwork levels which allow for safe, gradual and client centered progressions through the Pilates series.

Who can benefit from Pilates

Whilst professional sports people use Pilates to aid their training and conditioning, Pilates exercise for general fitness can have very positive effects on posture, stress levels and overall health and wellbeing.

By improving your core strength and posture from head to toe you'll decrease the pressure and strain through your body's weight bearing joints helping to alleviate often experienced and problematic aches and pains. With a straighter back, tighter tummy and improved muscle tone and flexibility you'll look leaner and taller too.

What to expect at class

My primary aim is to provide a programme of Pilates exercises that follows the need and fitness level of my clients. The class environment is supportive and non competitive and you are encouraged to work at your own pace with your teacher adopting a hands on and focussed approach to your individual body strength and Pilates development.

LOOK GOOD FEEL GREAT

Slimming World

Slim-line shopper's early wake up call

EVERYONE understands what it is like to feel unconfident, self-conscious and unhappy with what they see when they look in the mirror. However, mum of three, Sam Eason, ballooned to a size 20 when the issues of her everyday life started to take its toll, she found herself facing personal problems that only comfort eating could solve.

When discovering she was over 17 stone she was mortified and decided that she would make a change.

That change was Slimming world.

After joining her local group, Sam abandoned her size 20 wardrobe along with her excuses and became a fabulous size 10 and the weight is still dropping off.

"That first day took so much courage, I was so afraid of people judging me that I nearly didn't go" she says. "Looking back it was silly to be afraid, I made so many supportive friends that were completing this journey with me. The group was so welcoming and the Slimming World plan seemed too good to be true."

As well as being a mum to three teenage daughters, Sam is also a full-time carer for her husband who has been fighting an ongoing battle with cancer for several years. With a house full of fussy eaters Sam raves over the simplicity of the meal plan and found it incredibly easy to integrate Slimming World's food optimising guide into everyone's daily diets. "In our house we all love food so smaller portions were not an option." Sam further explains that her favourite dish is chicken tikka masala curry and she chooses to experiment in flavours by using the healthier methods she's

learnt in her slimming journey.

Sam admits to having constantly yo-yo dieted at home but her cravings for something sweet always won her over, she hated feeling restricted. Puddings are no longer a no go and neither is snacking, she explains it's simply about educating yourself.

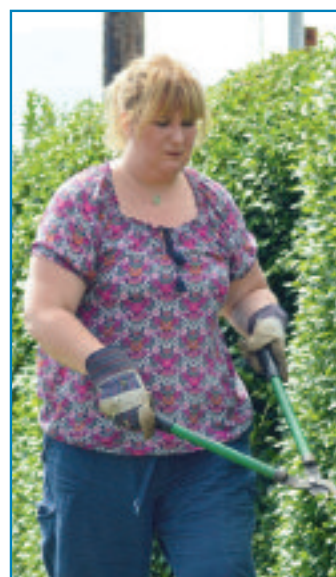

With her new budding confidence, Sam's everyday uniform of leggings and baggy shapeless tops have been scrapped and instead of shying away from clothes shopping with her daughters she now finds it one of her favourite pastimes. Two of her daughters even braved a 3am start to join their Mum outside the Next sale because of their excitement towards helping their Mum in choosing a new wardrobe. "It's the silly little things I didn't realise I was missing out on. I couldn't just sit on my bed and cry about how nothing fit or made me feel good anymore."

When the weight started to fall off, Sam's confidence and passion for life grew. This change made Sam want to help support others to understand that there is a way to lose weight and maintain a love for food, because of this Sam opened her own group in Cullompton back in October. Her fabulous members have lost an incredible 57 stone 11lbs, this spurred Sam on to help more people and she is now opening a brand new group in Honiton.

The new group will begin on Wednesday 10th February at 7.30pm at Honiton Family Church.

Remember the only ingredient you really need is you.

Clinical Hypnotherapy Michelle Hague

Depression and sadness are not the same thing.

DEPRESSION, has been described by many sufferers from the illness, as the inability to feel anything. Just try to imagine over time, that you no longer have the ability to feel joy. It would be as if you do things that normally make you happy, but the part of the brain that is responsible for producing happiness just isn't working properly anymore.

We all experience sadness, it can last a day or two, and sometimes when sad things happen like the loss of a loved one a lot longer, but it changes and eventually we are able to move on.

Depression is an illness, it can affect sleep some become restless, concentration is affected some can't eat while others comfort eat, and are unable to even get out of bed, the loss of enjoyment and pleasure also mean it can impact on relationships, lethargy and the inability to remember or process information and think clearly, can make responding to questions seem too difficult, resulting in giving up. All of which can culminate in a sense of worthlessness and overwhelming guilt.

Supporting people with depression is hard, it is challenging and draining for those who care, but to stand by their side and support them, while taking care of their own mental health can be one of the most meaningful

significant things they will do and one of the hardest.

Medication, to reduce the associated anxiety, or replace or inhibit the chemical imbalance, and some of the talking therapies like CBT and Mindfulness have been shown to help many.

Getting help and advice from your GP is the first step, then seeking support from professionals who can help with pattern breaking or manage the day to day of this debilitating condition. For more information on how Clinical and cognitive behavioral hypnotherapy, or mindfulness may help you call, Michelle on 07761773563

Traditional Acupuncture

Val Davis

Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

Are you struggling to keep your new year's resolutions?

ARE you struggling to keep your new year's resolutions? If so hypnotherapy can help to build your motivation and determination, overcome negative beliefs and thoughts holding you back, release old behaviour patterns and achieve the goals you're aiming for.

Samantha Davey, a registered hypnotherapist, clears up a common misconception when she says that clients maintain control throughout hypnosis. She says, "No one can be made to do or say anything against their will and you'll automatically reject any suggestions that don't feel right for you." She continues, "Clients are often surprised that hypnosis feels quite ordinary – just like sitting relaxing with your eyes closed or daydreaming. Most people find it a very relaxing, calming and up-lift experience."

Hypnotherapy is a safe, enjoyable and proven therapy that often brings rapid results. It can help with a wide range of issues including weight loss, stopping smoking, anxiety, stress, depression, confidence, sleep problems and phobias.

Samantha offers a friendly, professional and supportive service in Seaton and Axminster. To book a free consultation call 07809447720, or email info@hypno4freedom.co.uk

Pregnancy Massage

During pregnancy your body goes through great physical and emotional change. You may have sore back, swollen ankles or feel a little apprehensive about the change a new baby will bring. Here are some ways that pregnancy massage may help you with one or indeed all of these challenges....

Physical benefits of the treatment can include: Reduced swelling in areas such as ankles and feet by stimulation of the lymphatic and circulatory systems.

Pain reduction in areas of stress such as the shoulders, lower back, and legs is achieved by the use of specially tailored therapeutic massage techniques.

Emotional benefits of the treatment can include the beginning of a positive bond between mum and baby by the production of the hormone oxytocin being stimulated during massage.

Time out from your busy schedule to think about and concentrate on this new baby (this can be especially helpful if you already have children that often take up much of your time and attention).

Emma is trained to one of the highest levels of remedial massage available in the UK and even has a special couch where you are able to lie on your front (stomach and baby safely cradled) to relieve weight and pressure. If you would prefer a seated or side lying pregnancy treatment then this is also available.

For more information or to book contact Emma on 07717310198

Eden Garden Fencing and Landscaping

AT EDEN Garden Fencing and Landscaping based in Seaton, Devon we have been building and installing quality Fencing, Gates and Decking, along with Landscaping, for some 15 years. This makes finding a Fencing Contractor simple by providing for all clients' requirements, large and small locally. The timber products side of Landscapers, Eden Garden Developments, offers a friendly, professional, integrated service and the Seaton, Devon base covers a 30 mile radius.

A timely example, given the present gusty conditions, is Garden Fencing, where this can be replaced or repaired, depending upon condition and the budget available. This can be either Close Board, Panel (with or without Trellis), Post and Rail or Picket Fencing. Eden Garden Fencing and Landscaping also supply and fit Gates (see insets). Whilst we take pride in installing robust and durable fencing products, "cost leadership" is still at the forefront of the business, whilst keeping quality and the principles of design foremost. Much of the work can be done during Autumn and Winter when the ground is less compacted and this time is also perfect for renovating the garden generally. So by Spring many garden improvements can be ready to be enjoyed.

There is now a dedicated Timber Products website, www.edengardenfencing.co.uk, giving examples of the range and quality of workmanship. Additionally, information can be obtained by calling 01297 23596 (mobile 07977 415446) or visiting the general web pages at www.al-environmental.com

THE NEW YEAR got off to a brilliant musical start on Friday 15th January when a sell-out audience really enjoyed a return visit from the Acoustic Folk Rock group, The Bully Wee Band - who showed that their music is just as relevant now as it was in the 1970's, when they were formed!

The night started with a 45-minute set from the ever-popular Phil Beer, who once again showed his vast musical skill, supported by his rich vocals. Phil joined the band for the encore and brought to an end what was a really wonderful gig.

On Saturday 23rd we welcomed back our long-term friend Bob Fox, who is one of the North East's best singer/songwriters. Bob entertained us with a selection of songs he has gathered over a career which exceeds four decades. This included material from War Horse, where Bob played the 'Songman' role in both the London production and on tour. A truly great performer, he will be back!

On Saturday, January 30th we are looking forward to the second visit by the unique Bristol-based band - The Moscow Drug Club. They will perform to what is certain to be a large and enthusiastic audience. At the time of going to press, we have sold about 100 tickets - so you might be lucky enough to book seats if you phone The David Hall right away! (Tel 01460 240 340). This is a band of fantastic musicians who play a curious mix - 1930s Berlin Cabaret, Hot Club de France, New Orleans and Gypsy Campfire all meet.

February will be extremely busy musically and starts on Friday 5th with Tales from the Bawdy Bardess, featuring Debs Newbold and promoted by Take Art. This show is 'crafted for adults' and is described as 'a skilful and rollicking piece of stand-up storytelling.'

The following night we will be featuring Kieran Halpin, who is one of Ireland's finest singer/songwriters. In 2012, Kieran released the critically-acclaimed CD, *The Devil and his Dealing* - which is one of my most-played albums. A night of wonderful material, beautifully played and sung, is guaranteed. Kieran will be supported by Dorset's Louise Jordan, who has a great voice and great material.

On Monday, February 8th, Holcote Productions will present: Unplugged at the Hall, when students from Yeovil College Music Department will be presenting Acoustic arrangements of original and well-known material. This young but talented group of musicians will explore the amazing Acoustic vibe of The David Hall with their sounds. Definitely an event worth supporting!

On Friday 12th, we shall welcome back Somerset's Julian Dawson - who is well known in North America and especially in Germany, where he has had many chart successes. Julian is a world-class harmonica player, at home

in classic UK Pop, Folk, Country and Blues music circles. His massive talent means this is a gig not to be missed!

On Saturday 13th, Petherton Arts Trust is holding a Valentine's Disco. Come along to 'strut your funky stuff' or 'shake yer bootie' to music from the 1950s to 2000 that has a romantic edge. It will be a fun event!

On Thursday, February 18th, we are supporting The Octagon Theatre in Yeovil with a gig by the widely-acclaimed Acoustic and slide guitar player, Martin Simpson. Martin thrills audiences with his interpretations of traditional songs and has played The David Hall many times. Tickets can be booked on 01935 422 884.

On Saturday 20th, The David Hall will feature one of the best and most lively bands around when Jamie Smith's Mabon are booked to perform. JSM is hailed as one of Britain's 'must see' musical acts - and I totally agree with that statement! They have just released their 5th album and their performance will consist of a mixture of favourite tracks alongside new material. This is an evening I am really looking forward to!

Musically, February will end with a visit from one of Folk music's biggest names - Cara Dillon. As I write this there are just a few tickets left for what is certain to be a sell-out night. Cara will perform with her multi talented husband, Sam Lakeman. To say this will be a very memorable evening is a massive understatement as Cara will be supported by the critically-acclaimed Bristol-based performer, Phil King. A superb vocalist and lyricist, Phil deserves - and, without doubt, will get - much more attention in the future.

I look forward to writing again next month and anticipate many more nights of wonderful music!

Cheers, and all the very best, Pete Wheeler, Petherton Arts Trust

Further events at The David Hall in February

On Friday, February 19th, Petherton Picture Show will present *Macbeth* (15), starring Michael Fassbender, Marion Cotillard and Jack Madigan.

The David Hall's popular monthly Coffee Morning will be on Wednesday, February 24th, from 10am - 12pm - with real coffee and home-made cakes, book and bric-a-brac stalls and live music.

Performance Night is scheduled for Saturday 27th, at 7.30. All styles and forms of performance welcome - not just music. To perform, please email folk@chriswatts.org

For further details about any of the above please check the website www.thedavidhall.org.uk or call 01460 240 340.

Papa Le Gál to headline fundraiser

THREE SENSATIONAL local bands are coming together for what is expected to be a sell out gig, on Saturday, February 13th in Lyme Regis.

Papa Le Gál are to play in their hometown of Lyme Regis for the first time in a long while. The popular local band are headlining a fundraiser night for B Sharp's - 'Big Mix' Festival and are supported by Bishco, Slinky Machine and DJ Geester. All acts are known for their love of the groove and will be creating a real party atmosphere. The fundraiser is happening at The Hub in Lyme from 7pm till late.

Big Mix festival co-organiser and compere Pete Wild said: "We have found a great way of raising some of the funds we need to make this years Big Mix happen and that is to have another night of great music but in the winter, indoors and in a great party venue".

The Big Mix team have come together with local bands and volunteers to do some important fundraising in advance of this year's festivals on July 2nd - ticket prices are deliberately kept low to encourage local music lovers and mixed audiences particularly the young people of the area to come and experience the best in original music from young musicians and

emerging artists.

Papa Le Gál's singer Grace Gillan is "proud to support the event", saying: "It's always a delight and a pleasure to perform for The Big Mix, a brilliant local festival! Each year I'm impressed by the constant influx of new young artists, their original material and the great atmosphere".

Fellow band member and B Sharp music leader Jacques Verhaeren added, "We can't wait for Papa to play in Lyme Regis again, the place of the band's birth! The good vibes we got from everyone in the area really gave us a platform to write some party tunes, and we will always be grateful for the following we have here. It'll be nice to support so many good causes, mainly The

Big Mix but also to raise awareness of B Sharp and The Hub as a great venue. I know it's going to be a great night, so make sure you are there for it!

"Everyone is coming together to help put on what promises to be a great sell out event, so organisers are encouraging you to get your tickets early. They would like to thank all the bands and helpers for volunteering their time to support the festival."

Tickets are £8 in advance from Lyme Regis Tourist Information Telephone 01297 442138, or £10 on the door.

There will be a full bar, soft drinks and a few Bombay Mix cocktails (18+ with ID).

Juanita was the first woman in the West Country to become a Mayor, she worked tirelessly for the people of Honiton and was a great advocate for the women's movement. There will be an exhibition, book signing and Launch of the Mayor's fund for the restoration of Mrs Maxwell Phillip's Portrait with a short break prior to the screening of 'Suffragette' at 7.30pm.

Pip Utton is Chaplin

DESCRIBED by *The Telegraph* as 'the doyen of one man shows', Pip Utton has the uncanny knack of becoming whichever character he wishes to be, he even manages to look like them! Don't miss the opportunity to see this

award winning actor performing a really thought provoking, thoroughly entertaining show on Saturday, January 30th at 7.30pm.

Charlie Chaplin made millions laugh at his famous 'Tramp', one of the most famous cinema images of all time. And in doing so Chaplin trapped himself inside an image he never truly managed to succeed without. 'The Tramp' earned Chaplin the reputation of 'genius' and he propelled him into the worlds of intellectuals and royalty.

In his play Pip Utton steps in and out of the screen and becomes Charlie Chaplin, stripping away the myths and the moustache and revealing the man beneath a frustrated old actor being trapped within an image. The private man searching for public recognition for his 'genius', whilst the world worships his creation - the Tramp. Pip Utton takes us inside Chaplin's mind, exploring his memories and feelings, and we come away feeling that we really understand the man, that we really have spent an hour in his company.

A glamorous night out

WITH a voice that has been compared to the smoky, laid-back swing of Julie London or Peggy Lee, London-based singer and 'jazz storyteller' Kate Daniels is bringing her distinguished musicians to Ilminster Arts Centre

Kate Daniels

with music and stories from the Great American Songbook. Entitled 'Glamorous Nights' - from Hoagy Carmichael to Peggy Lee', Kate's show will bring the best of live performance to the intimate auditorium of the Meeting House. Kate's captivating singing has connected with audiences all over the country and her many fans include none other than jazz legend John Etheridge, who enthuses, "Kate's vocals are poised, engaging and elegant. She sings as if she is telling you a secret".

Kate's fellow band members are equally talented. Pianist John Horler has accompanied the most famous names in jazz but is probably best known for his long collaboration with John Dankworth and Cleo Laine.

Alec Dankworth's noble jazz lineage may come before him, but as a bass player of versatility and impeccable musicianship, his reputation is entirely his own. A British Jazz Awards winner he has worked with, among others, Van Morrison, Abdullah Ibrahim, Dave Brubeck and Nigel Kennedy.

Soloist Graham Pike is a multi-instrumentalist with a background in West End Theatre playing for such memorable shows as Blood Brothers, and as a composer for television programmes.

Advance booking is strongly advised for what promises to be a memorable and entertaining evening.

The Kate Daniels Quartet play at Ilminster Arts Centre on Friday, February 12th at 8pm. Tickets are £15 (£13 pre-show supper, must be pre-booked), available by calling 01460 54973 or from www.themeetinghouse.org.uk

The Schmoozenbergs

IN ASSOCIATION with Take Art, Somerset's enterprising arts charity, The Henhayes Community Centre in Crewkerne will be holding a concert featuring well-known Bristol quartet The Schmoozenbergs, on Friday, February 12th.
 This group of talented musicians are renowned for managing to conjure 'up the mood of 1930s Paris' and combine this with "the energy of a campfire jam session". This results in an enjoyable evening of 'hip swinging sounds' with 'irresistible rhythms and lyrical melodies' which puts a smile on everyone's face.
 A meal will be available before the concert, but you can just come and listen to the musicians if you prefer. Tickets cost £17 to include the meal or £10 for the concert only. The concert starts at 7.45pm and the meal will be served at 6.30pm. Please purchase your tickets before the February 12th if you would like a meal. A licensed bar will be open from 6pm.
 For more details or to book call 01460 74340 or visit The Henhayes Community Centre. If you want to know more about The Schmoozenbergs visit www.schmusic.co.uk

The In-Crowd is just too Cool

RICKY COOL has teamed up with some of the Midlands top players (The In-Crowd) in a six-piece band presenting an explosive mixture of ska, bluebeat, rhythm and blues, jump-jive and rock 'n' roll, plus entertainment in the inimitable Ricky Cool style. Their music is guaranteed to get your feet itching to dance.
 The In-Crowd's music is rooted in the traditions on New Orleans, Texas, Chicago and the emerging Jamaican bluebeat scene of the period. It is delivered by the Midlands top musicians fronted by the charismatic Ricky Cool, long regarded as one of the most entertaining frontmen in the business.
 Ricky Cool & The In-Crowd play at The Barn at Square+Compass, near Ilminster on Friday, January 29th. Doors open 8pm, music from 9pm.
 Tickets are £14 in advance, or £16 on the door. To book or for more details call 01823 480467.

Seaton welcomes Snow White

SNOW WHITE and the Seven Dwarfs is one of the most popular pantomimes and is this year's choice for Seaton Panto. Another hilarious Alan Frayn script is being bought to life under the direction of Mary Bowles who says she is "having a wonderful time" working with the children who are playing the Dwarfs and Spirits. "They are a talented bunch", says Mary, who have been enthusiastically rehearsing hard to create their individual characters and are sure to steal the show with their antics!
 Dame Edina Bouquet is played by the ever popular Ian Waite with Ben Malone as her side kick 'Chuckles' the court jester. Milly Chaplyn is Snow White, who's last role in this story was when she was aged eight and a dwarf. This time she is cursed by the evil step mother Queen Avarice, scarily portrayed by Debbie Bradley. Prince Ferdinand, played by Holly Stock, is the hero who awakens Snow White by a kiss after she is saved from the order to kill her given to Slurp (Mark Mills Durston) from the queen. Rosie Manley brings the magic as Fairy Fortune, and a daft duo Quills and Scribbles, played by father and son Mark and Robbie Usher ensure there is plenty of silliness on stage.
 With parodies of familiar toe tapping songs sang with gusto by the Charismatic

Chorus of Coutiers, colourful costumes created by the team's sewing magicians, creative stage sets, and copious amounts of encouraged audience participation throughout, this promises to be another perfect traditional show for all the family and not to be missed!
 Show dates are Thursday 11th to Sunday, February 14th. Thursday and Friday's shows start at 7pm. The matinee is on Saturday 13th, and the early show at 6pm on Sunday 14th.

An 8-page pull-out guide for care, help and services in later life
in East Devon, West Dorset and South Somerset

Abbeyfield Residential Care, Budleigh Salterton

Introducing Abbeyfield Residential Care Contentment in later life - it's about time

TAKE a closer look at Abbeyfield. It's our promise to you that, your days here will be happy, sociable, comfortable and safe.

Our founder Richard Carr-Gomm retired from the Coldstream Guards, unsure of his life's path, he looked around his community and was shocked by the isolation and loneliness felt by the older people he visited. Becoming the first male home help and visiting those on their own, he wanted to do more to alleviate these feelings of loneliness. Using his army pension he purchased a house in Bermondsey South

London, inviting two local residents who had been living alone, to join him. The first Abbeyfield house was born.

Scott Rowe

PLANNING for later life and retirement can seem complicated and overwhelming.

At Scott Rowe we understand that many people would rather not think about making a Will. However, making one will ensure that your wishes are carried out, utilising any tax benefits available.

If you die without a valid Will then you are said to have died 'intestate'. It can leave your family with a financial and administrative burden when establishing who the true beneficiaries are, and people who you wished to benefit may miss out.

You may also consider making a Lasting Power of Attorney, to be used by people you nominate to handle your affairs for you, should you become unable to. This can cover your financial future and your personal and welfare decisions whilst you are alive.

We can also advise you on how to fund possible future care, including equity release schemes, and on buying or selling your home if you are looking to move house in the future.

Over 98% of our clients recently surveyed say that we provided a good quality service and that they would recommend us to others. We are friendly and easy to talk to, and we can arrange home visits if that is easier.

The Manor House

THE Manor House is run as a small family home with the emphasis on the provision of quality individual care in a comfortable, safe and cheerful environment. The organisation and management of the home are the means to achieve that end.

Dr. S.H. and Mrs. S.E.C. Curry have owned, managed and resided at The Manor House since April 1996.

Dr. Curry is a chartered psychologist with many years experience dealing with the rehabilitation of brain-injured individuals, whilst Mrs. Curry is an RGN with many years of specialist practice. Her experiences as ward Sister have been invaluable training in the management of staff and resources.

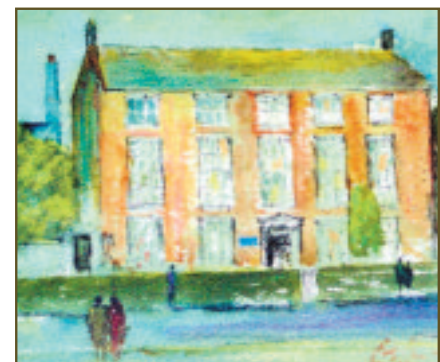

The Manor Houses latest Care Quality Commission inspection report was rated as a 3 Star or Excellent Care Service. The Manor House is a private residential care home which strives to provide the highest standard of care and permanent accommodation for 15 elderly individuals.

At The Manor House it is their aim to provide individual care in a comfortable, safe and cheerful environment where residents' individuality, privacy, dignity and freedom are respected.

At any point in time The Manor House will have between 14 and 18 members of staff additional to the proprietors. The proprietors fully recognize the crucial role that staff play in the welfare of the residents and therefore have had a long-standing commitment to continuous staff development and training. This is evidenced by the high level of staff qualification.

Please visit our website, where you will find all the information you need to determine if our home would be suitable for you or your relative. However; if you feel you need any additional information about any aspect of life in our home, please feel free to contact us at any time.

If you are able, we would like you to visit so we can show you what our home has to offer you or your relative.

Accommodation

At the Koppers we provide a comfortable home from home environment for our residents.

We have a total of 19 bedrooms (14 single and 5 double), 15 of which have ensuite facilities. Some rooms are also fitted with a shower/wetroom. All rooms have provision for a television and are fitted with a pressure sensor nurse-call system.

Communal areas include a spacious day activity area, dining area, relaxation/quiet lounge and conservatory. Externally the home has a large well-maintained garden and spacious patio area that residents can enjoy in warmer weather.

Setting

The Koppers is located in the heart of Kilminster, a village near Axminster in East Devon. The amenities of Kilminster offer opportunities for day to day activities and social inclusion. A friendly community and annual fete and flower show, the local Shop/Post Office, Church, Village Hall, and Village Green with a bubbling stream running through makes for an idyllic and peaceful atmosphere.

Being only 15 minutes by car from Lyme Regis we take our residents to this beautiful seaside town even if its just to sit on a bench and watch the world go by.

Awards

The Koppers has been recipient of the award Top 20 Care Homes in South West England in both 2014 and 2015.

About us

The Koppers is under the new Directorship of two families. Mr & Mrs Thomas have over two decades of experience as sole proprietors of two previous care homes. Mrs Thomas is a UK Registered Nurse specialising in psychology, wound care, palliative care, gerontology and chronic diseases. Dr & Mrs Malik have been in the health sector in various senior roles. Dr Malik has worked for the NHS and the World Health Organisation.

The registered manager, Mrs Burwood-Beames is a very experienced senior manager who has been care manager of this home for almost a decade. The manager is supported by a strong workforce of able and experienced carers.

Dining

The Koppers prides itself on the quality of the meals it provides. We strongly believe that having a healthy, well-balanced diet greatly benefits our residents. Meals are therefore offered from a varied menu using the best produce from local suppliers wherever possible. We are happy to cater for special diets and preferences too. All our meals are cooked fresh daily in our own kitchen and snacks are readily available throughout the day and night.

Introduction

The Koppers is a family-run residential care home specialising in the care of people with dementia. It is set in one of the most beautiful villages in East Devon.

At The Koppers we believe in providing quality care and maintaining respect for the dignity of each individual resident. We endeavour to create a warm and homely environment that is safe and secure.

Each resident has their own careplan which is carefully tailored to their individual needs and continuously evolves with them as those needs change.

Activities

We believe in providing holistic care whereby we promote residents' emotional as well as physical well-being. We do this by incorporating a wide range of stimulating activities and outings into our daily rhythm. Wherever possible we encourage links with the local community for outings and social inclusion.

Examples of activities include handling animals (from baby chicks to birds of prey), trips to the neighbourhood cafes as well as longer excursions to the beautiful Jurassic Coast. Residents also enjoy regular visits from the Music Man and dancing, singing with the Baptist Church, and gardening using specially designed raised beds.

Services

The home offers residential care, respite care and day care. It caters for the needs of people with all levels of dementia, from all backgrounds and ethnicities.

The home works closely with the local general practitioners, district nurses and is regularly visited by a chiropodist, podiatrist and hairdresser.

Chancery House

Chancery House is evolving

CHANCERY HOUSE, in the heart of Bridport, has an unrivalled reputation as a safe, comfortable environment for older people, with company and companionship for anyone who would like it. They also provide a relaxed experience for those with mobility or personal care issues. Their lunches, using local home-cooked produce, are famous. There is even a hairdresser on the premises and specialised transport is available within Bridport and surrounding areas.

However, things are evolving at Chancery House. They are adapting to the changing needs of people within the local community - as there are an increasing number of people suffering memory loss and the effects of early dementia. The qualified Care Staff at Chancery House provide Day Care tailored to each individual's needs, including activities and stimulation to enhance their quality of life, whilst giving respite to carers.

Chancery House believes their service to be unique in Bridport, so why not visit the Centre and see for yourself? Referrals are not required.

Walking Football

LOVE Football? Want to stay Active?

Walking Football, a slower version of the beautiful game!

The game is small sided, with no running on or off the ball, very little contact and kick-ins instead of throw-ins. With less stress on the body and no real sudden change of direction or cutting movements, the game allows participants to play in a safe environment.

Walking football has become increasingly popular and is designed to help people live an active lifestyle, as well as to support getting people back into football who have stopped playing due to age or injury. Long-term benefits can include reduced heart rate and blood pressure and better mobility.

As well as offering health benefits walking Football offers social benefits - the opportunity for participants to meet new people, prevent isolation and create interaction for individuals and small groups.

Sessions are taking place across the three counties for men and women keen to come back to playing the game or brand new and wanting to stay healthy, make friends and socialise. For those who want competition they are also developing a Walking Football League across the region.

For details on how to join in with sessions in Dorset or to enter a team into the league please

contact Justine Mosley Justine.mosley@dorsetfa.com or 01202 688277.

If anyone is interested in walking football in Somerset, please contact Aaron Clements at aaron.clements@somersetfa.com or Tel: 01458 832359

If you're in the Devon area please contact Howard Shaddick at howard.shaddick@devonfa.com or on 07585 403993.

Volkswagen adds even more style and value to 2016 range

VOLKSWAGEN is enhancing the appeal of more of its core models with the debut this month of a number of eye-catching special editions.

Available to order now the new cars share the attractive qualities of enhanced styling, a richer mix of equipment and keen value for money as the brand underlines the allure of some of its most charismatic creations.

Kicking off the latest range upgrades is the new Look up! – open for order now and based on the already popular Move up!. The 1.0-litre 60 PS three-door Look up! is offered with sporty 15-inch Fortaleza alloy wheels, unique interior trim, black wing mirror casings and black foil decals.

Available in a range of prominent colours – Saturn Yellow, Tornado Red or Pure White – the new model adds almost £1,000-worth of extra equipment and styling features for its £9,995 price (RRP OTR), an increase of just £70 over the price of the standard Move up! model.

Svelte Volkswagen CC Black Editions boost value

Two new Volkswagen CC Black Edition model trims, both with extra style and value, are also making their UK Retailer debuts this month.

The Volkswagen CC GT Black Edition and CC R-Line Black Edition both feature generous extra specification and styling enhancements to build on the already comfortable and stylish CC GT and CC R-Line.

The new Black Edition versions add a styling pack with black front grille, electric tilting sunroof, and 18-inch Lakeville alloy wheels on the GT Black Edition and 18-inch Talladega alloy wheels on the R-Line Black Edition.

Interior specification includes new Carbon Nappa leather upholstery with carbon fibre-style decorative inserts on front and side doors, plus black piano inserts in the centre console. The new special edition models are priced from £29,150 (RRP OTR) – just £575 more than the current GT and R-Line models.

Striking Scirocco GTS special edition earns its stripes

The stunning new Scirocco GTS has a cool 220 PS as standard, and is available in both manual and DSG transmissions.

Powered by a petrol engine unique to GTS it boasts maximum torque of 350 Nm at just 1,500 rpm; top speeds, where legal, of 153 mph (manual) and 152 mph (DSG); and, for both the manual and DSG variants, an acceleration time from 0 to 62mph of only 6.5 seconds.

The GTS shares the Scirocco

R-Line's impressive exterior styling kit, adding GTS-specific badging on the front grille and rear tailgate, plus black gloss door mirror casings and 65% tinted rear glass. The car is available in a selection of eye-catching exterior colours: Urano Grey is offered as standard, while optional colours are Flash Red, Pure White, Oryx White, Indium Grey and Deep Black. Each paint colour has specific colour-coordinated GTS decal stripes to bonnet, roof and tailgate.

The interior builds on the R-Line trim with Vienna leather upholstery including GTS logo on front sports seats, and red stitch detail.

Additional styling features inside include piano black dashboard decorative inserts, a specific GTS gearstick with golf ball effect gear knob, seatbelts with two red GTS stripes and chrome side door sill protectors that, again, include the sporty GTS logo.

The Scirocco GTS is priced at £28,195 (RRP OTR) for the 2.0

TSI 220 PS with six-speed manual gearbox, or £29,695 (RRP OTR) for the six-speed DSG version.

Commenting on the latest raft of special edition offerings across the range Volkswagen UK Head of Marketing, Rod McLeod, said: "These attractive new special editions clearly enhance the already strong appeal of some of our most exciting and charismatic models, and I'm sure our customers will be as enthusiastic about their arrival as I am."

The new MINI Clubman ALL4

MINI is today launching the all new MINI Clubman ALL4 – the brand's first all-wheel drive model in the C-segment. This launch marks the MINI brand's further advance into the premium compact

segment and represents the first ALL4 model to be built at MINI Plant Oxford.

MINI's ALL4 all-wheel drive system, which has previously only been offered on MINI Countryman models, has been

specially redeveloped to ensure sportier handling and improved versatility to further enhance the everyday practicality of the new MINI Clubman.

MINI Clubman was launched in October 2015 and is notable as MINI's first vehicle in the competitive C-segment. Now, the brand is offering something new to the market in the form of Clubman ALL4. Available with two of the latest MINI engines, the MINI Cooper S Clubman ALL4 and the MINI Cooper SD Clubman ALL4.

The 2.0-litre 4-cylinder petrol engine with MINI TwinPower Turbo Technology is the latest example of MINI's engine technology. Offering 192 hp, the new MINI Cooper S Clubman ALL4 is combined with a 6-speed manual transmission as standard, and optionally with an 8-speed Steptronic transmission. It achieves fuel consumption of 40.9 mpg with the manual transmission (44.8mpg for automatic transmission) and has CO2 emissions of

159g/km (146g/km).

The new MINI Cooper SD Clubman ALL4 features a 190 hp diesel engine with 400 NM of torque which is paired with the brand's capable 8-speed Steptronic transmission as standard. Fuel consumption on the combined cycle is 58.9mpg with CO2 emissions of 126g/km.

The new MINI Clubman ALL4 includes an exceptionally high specification, with the brand's highly acclaimed Navigation System standard on all models. Furthermore, every MINI Clubman ALL4 also benefits from the MINI Excitement Package as standard, which features a projection of the brand logo on to the ground beneath the driver's side door mirror when the car is opened and closed, as well as extended interior lighting.

Production of MINI Clubman ALL4 has started at MINI Plant Oxford, with first deliveries at MINI retailers nationwide in April.

Edition white and edition black added to smart range

THE new smart edition white and edition black are now available to order from just £12,360 OTR for the smart fortwo (£12,855 for the smart forfour). First deliveries will arrive in the UK in late February.

Based on the already well-equipped prime trim line (which includes features such as heated leather seats), the special-edition models add the Urban Style and the Premium packages as standard. These include: three-spoke sports steering wheel with perforated leather; brushed stainless steel sports pedals with rubber studs; 16-inch Y-spoke-alloy wheels in black; exhaust system with chrome-plated tailpipe; wheel-arch extensions with smart lettering; comfort package (consisting of: height adjustable steering wheel; height adjustable driver's seat; heated and electrically adjustable exterior mirrors); rear parking assistance and smart media system including European satellite navigation. Forfour models also come with

privacy glass in the rear.

The fortwo special editions come with over £1,500-worth of extra equipment – for only £895– resulting in a customer saving of over £600. The forfour offers £1,660-worth of features (adding rear privacy glass), giving customers over £760-worth of extra value.

The edition white models feature white tridion cells, combined with white body panels and a white grille, making them instantly recognisable as special-edition smarts. As you'd expect, edition black models come with black bodywork, black tridion cells and a black grille – although customers can opt for a white tridion cell (£100).

As with the rest of the smart range, the edition white and edition black models can be ordered with either a 71 hp naturally-aspirated or 90 hp turbo three-cylinder petrol engine, and with a five-speed manual or six-speed twinamic automatic gearbox.

New FIAT 500 1.2 'Eco' goes on sale in the UK

FOLLOWING on from the introduction of the New FIAT 500 1.3 Multijet II turbo diesel, the FIAT 500 range is expanding further with the launch of the 1.2-litre 69hp 'Eco' which is equipped with a host of efficiency technologies including a smart alternator, improved underbody aerodynamics and low rolling resistance 15-inch tyres, as well as Start & Stop which is standard across the FIAT 500 range. As a result of these combined technologies, the official CO2 emissions figure for the FIAT 500 1.2 'Eco' is reduced from 110 to just 99g/km which, in turn, cuts the annual road tax bill from £20 to £0 and reduces company car BIK tax liability from 17% to just 14% compared to the standard 1.2 69hp model.

Official fuel economy figures also improve for the new 'Eco' model which can now achieve 58.9 MPG (urban cycle), 70.6 MPG (extra urban cycle) and 65.7 MPG (combined cycle) compared to the standard 1.2 69hp (51.4 / 65.7 / 60.1 MPG respectively) meaning the FIAT 500 1.2 'Eco' will recoup the £100 price premium in no time at all.

Engineered to comply with the toughest standards, the FIAT 500 is one of the safest cars in its segment with larger front brake discs on the 1.2 69hp plus seven airbags

(front, window and side airbags, plus a driver's knee airbag), ABS with electronic brake distribution (EBD), advanced electronic stability control (ESC), anti-slip regulation (ASR), Hill Holder and hydraulic brake assistance (HBA) all as standard.

Available in Pop Star and Lounge trim levels, prices for the FIAT 500 1.2

'Eco' start at just £11,865 OTR with the convertible FIAT 500C 1.2 'Eco' priced from £14,515 OTR (both in Pop Star specifications). For images and the latest news on the New FIAT 500 and other models in the FIAT range, please visit www.FIATpress.co.uk.

Woodland double sees Robins soar

Missed chances cost South Petherton – county cup dreams over

CHARD TOWN 3 CORSHAM TOWN 1
Toolstation Division One – att: 80

CHARD town took full advantage as their title rivals had their matches washed out to return to the top of the Division One table with a 3-1 win over a spirited Corsham Town on Saturday.

Even a second half floodlight failure couldn't stop Chard from swooping back to the top spot.

The hosts attacked from the outset and came close to opening their account in the fifth minute when Ed Butcher out-paced his marker before rifling in a shot that found the side-netting.

Chard dominated the early exchanges and it came as no surprise when they took the lead after 25 minutes when Ben Haines set up Scott Holland to slip the ball neatly past Mark Billingsley in the visitors goal.

Corsham had two great opportunities to level the scores before the interval. Immediately after Chard's goal Levi Cox beat the offside trap only to fire wide.

Ten minutes later a cross by Liam McAuley found George Pawley, but with the goal at his mercy he placed the ball straight into the arms of keeper Jason Hutchings.

But the Robins doubled their advantage ten minutes into the second half with a fine individual goal from Luke Woodland and the same player added a third two minutes later after a corner by Andy Martin was returned back into the danger area by Leigh Bailey.

A floodlight failure appeared to have scuppered Chard's chances of claiming a well deserved victory as abandonment seemed a likely outcome to proceedings as the afternoon got darker. But when they burst back into life the referee allowed play to continue.

The visitors gained a well-deserved consolation in the final minute.

But Chard deservedly banked the three points to move three points clear at the top with a game in hand.

Robins: Jason Hutchings, Shaun Wells-Burr, Darren Hutchings, Leigh Bailey, Scott Holland (Braeden Symes 74), Andy Butler, Ben Haines, Lewis Waldy, Luke Woodland, Ed Butcher (Max Westlake 75).

A SAM McCaffrey double helped Combe St Nicholas come from behind to earn all three points in terrible conditions.

The hosts opened the scoring midway through the first half but Joe Simmons, after going close twice, got on the end of an Ollie Hines corner to deservedly equalise five minutes before the interval.

McCaffrey notched his first 10 minutes after the break and struck again midway through the half.

The hosts grabbed a consolation in the 86th minute.

SOUTH PETHERTON 1 DRAYCOTT 2
SOUTH Petherton hopes of adding to their three previous Junior cup triumphs (1958-59, 1960-61 & 2009-10) perished at the hands of Weston-super-Mare Division One outfit Draycott at Lightgate lane.

Ultimately it was the woodwork that cost Pethy a semi-final at Bridgwater Sports.

In the first half Jamie Underwood struck the crossbar and Danny Rendell at post as the visitors headed into the break clutching a 1-0 lead.

They doubled their lead 15 minutes from time before Jody Bovey pulled one back.

The hosts felt they had two very strong penalty appeals waved away in the last five minutes.

CHALLENGE CUP QF

PERRY STREET 6 CHARD UTD 1

PERRY Street had few problems lining up a semi-final at South Petherton as they cruised to victory over Chard United at Tatworth.

After a goal less opening 20 minutes Callum MacHattie opened the scoring with a crisp drive from the edge of the area.

Seconds later it was 2-0 with top scorer Dan Collins slotting home.

Tapsins from Dan O'Connor and Collins, his 20th goal of the season, put the game beyond Chard by half-time.

Another close range finish, this time from Darren Contreras after Brad Cleal's shot had come back off the crossbar, made it 5-0.

Chard got something for their efforts when a defensive slip allowed Jamie Brown a free run on goal and he made no mistake.

But the goal of the game rounded things off at the other end when O'Connor drilled home an 18-yarder to finish off a slick passing move in fine style.

WINSHAM UTD 0 SHEPTON BEAUCHAMP 1

A 110th MINUTE penalty from Jamie Spurdle finally decided the quarter-final at Bakersfield after a gutsy rearguard performance from the hosts who could only muster a bare 11.

Winsham went close in the first half striking the crossbar and Spurdle hit the post in the second-half, but the stalemate remained in place until the second period of extra time when Tony Harwood brought down Dan Smith in the area and Spurdle tucked away the resulting penalty.

Shepton manager Aggie Smith was pleased to see his side retain their grip on the trophy but gave credit to Winsham: "They worked hard and hassled us out of our rhythm, their keeper (Andy Cody) played really well."

Semi-final line-up: Beaminster or West & Middle Chinnock v Shepton Beauchamp, South Petherton v Perry Street.

THORNCOMBE RES 3 CHARD UTD ALLSTARS 2
GOALS from Stuart Guest (2) and Ashley Lillington helped Thorncombe Reserves edge past their Division Three visitors Chard United Allstars with the winning goal coming deep into stoppage time.

FORTON Rangers failed to raise a team for the trip to face Crewkerne Town at Henhayes and slipped to the bottom of the table having been docked two points for a 2nd cancellation.

NETHERBURY 1 BARRINGTON 3

A GOAL in each half from Tom Perry, and Andy Whitefield's 19th of the season, helped Barrington return to the top of the league as they defeated Netherbury 3-1 for the third time this season.

DIVISION ONE

COMBE A 0 WAYTOWN HOUNDS 0

STRONG winds and a very heavy pitch made for a tough match at Slades Cross.

Waytown had a golden chance to win it when Jon Legg was brought down in area. The striker dusted himself down and took the resulting spot-kick himself but his effort was well saved.

HAWKCHURCH UTD 4 BEAMINSTER RES 2

HAWKCHURCH United extended their unbeaten run to 12 matches in all competitions to move a whopping nine points clear at the top of the Division One table.

The Hawks' latest win saw them come from the unbeaten, and concede two for the 10th game in a row, before beating Beaminster Reserves 4-2.

The west Dorset side took an early lead through Dom McAllister but Dan Richards soon squared things up when he rounded the keeper and rolled the ball home, and the hosts never looked back.

Then top scorer Gavin Herrod linked well with Josh Short to put Hawkchurch ahead before half time.

They were forced to defend the boggy half of the ground after the turnaround but further goals from Jamie Harris and Herrod put them away and clear at 4-1.

McAllister pulled one back with a 20-yard free-kick into the top-corner.

DIVISION TWO

KINGSBURY EPISCOPI 2 WINSHAM UTD RES 3
A SUPERB goal from Ben Smith inside the first minute put Winsham United Reserves on the road to victory and fifth place in the Division two table.

Smith weaved in way through the home defence before finding the top corner. Smith then jinked through again and rounded the keeper to make it 2-0 before turning provider with a cross which was nodded in by Toby Thorne.

The Kings battled back in the second half and Chris Eldred scored from the penalty spot before 16-year-old Will Arkell struck a scorcher from distance.

SHEPTON RES 3 SOUTH PETHERTON RES 4

THE top-of-the-table clash at Brimgrove Lane produced seven goals with visiting South Petherton Reserves grabbing the win after Shepton had fought back from 3-0 down.

Strikes from Ryan Thurgood, Talin Ford (pen) and Dan Kadir put a youthful Pethy side firmly in the driving seat.

But the hosts pounced on some dodgy defending to pull it back to 3-3 with goals from Terry Crocker, Simon Lock and Tom Lock.

But the game was decided in the 88th minute when Tim John was felled in the box and Ford tucked away his second spot-kick of the afternoon.

DIVISION THREE

CHARMOUTH 2 UPLYMPE RESERVES 2

THE LOCAL – derby at Barrs Lane ended in honours even.

Charmouth had the better of the opening quarter of the match but found Marcus Bearpark once again in fine form between the sticks for the Swallows.

But it was a long punt from Bearpark that was to lead to the opening goal when it found Brandon Bryant who fired home from the 20-yards out.

But the hosts equalised in the 41st minute when Bill Ward slotted home.

The Robins took the lead just after the hour through Ali Harvey and the points appeared to be theirs until Uplympe skipper Craig Coles stepped up and scored with a fine 25-yard free-kick.

FIVEHEAD 1 NETHERBURY RESERVES 5

AN Adam Male goal was all a depleted Fivehead side had to show from the visit of Netherbury Reserves.

Star of the show for the hosts was keeper Andy Crouch who also saved an early Phil Ackerman penalty

SOUTH WEST DIVISION ONE THORNBURY 24 CHARD 20

CHARD travelled to Thornbury on Saturday to face a team who are currently second in the league, but despite a valiant display Chard only come away with a losing bonus point.

This is the sixth occasion so far this season that Chard have picked up losing bonus points and, with things getting really tight at the lower end of the division, these points could be critical come the end of the season.

The Chard forwards were in control in the opening exchanges and it was no surprise when they set up a penalty opportunity which was converted after 20 minutes of play.

However, in the second quarter Thornbury upped their game and two tries from Rob Hignett and a further touchdown from Jack Hussey plus one conversion gave Thornbury a 17-3 advantage at the interval.

Chard turned in a good performance in the second half but, despite dominating possession, they were unable to break through the home defence for some time.

Eventually they were rewarded when centre Keiran Sutherland broke through for a

good opportunist try to make the score 17-8.

Hignett was causing Chard some problems and Thornbury went further ahead when he off loaded to Richard Bennett who went over under the posts for a converted try which took the scoreline to 24-8 in favour of the hosts.

This was hardly a true reflection of the game and it was fitting that Chard pulled back a converted try when Casey Watson charged down an attempted clearance kick with five minutes left.

Deep into injury time Chard took a quick tap penalty and Watson crossed for an unconverted try to secure a point which was the very least their efforts deserved.

Chard have a big game on Saturday when they entertain league leaders Camborne (2.15pm).

Somerset Division One

CHARD 2ND XV 17 CREWKERNE 1ST XV 41
Crewkerne maintained their position at the top of the table with this win against bottom side Chard but the game was certainly not as one sided as the score line might at first suggest.

Chard fielded a team that contained 12

players under the age of 22 which included six of the current colts squad and they were guided through the game by the experienced Paul Wright, Brian Sugar and James Herbert.

Chard scored three tries with these coming from a penalty try, Ollie Harris and Ryan Wingate. Dan Newman added one conversion.

Jack Oaten also 'scored' what appeared to be a perfectly good try which, for reasons unknown to all present, was disallowed!

The experience of Crewkerne and several missed tackles helped the visitors to a deserved win but the good sized crowd certainly saw several Chard stars of the future on display.

Next Saturday Chard 2nds are away at Wellington and the 3rd xv are at home to Minehead.

CHARD welcomed Bridgwater to Crewkerne Road on Sunday.

Bridgwater piled on the pressure from the kick off with an early unconverted try taking full advantage of the slope, but Chard were quick to respond with a try from Lewis Hole in the corner with the conversion made by MoM Harry Clifford.

Bridgwater scored again with some great running this time converted, but Chard replied almost straight away with an unconverted try from Craig Jakeman going into halftime all square at 12-12.

The second half was all about Chard with great scrummaging and passing all round. Both Hole and Jakeman scored a further try each and they were joined by Alfred Busby with the conversion kicked by Clifford.

ONCE again the Ladies were the only ones to get a competition round in this past week.

They played in glorious winter sunshine last Wednes-

The format was 'Treble Six' and there were a hardy 16 players playing in pairs.

One score counted for the first six holes, the next six were Greensomes and the last six holes were Foursomes.

Given the conditions, the results were impressive with the formidable team of Brenda Hyde & Chris Pearce coming in as winners with 37 points. Cherry Liell & Jan Lloyd took second with 36.

A FORTUNATE break in the weather on Saturday allowed the Annual drive-in for the incoming captains to take place on schedule.

The drive-in is a ceremonial occasion when club members stand around the first tee on the course to

witness the first tee shot of the year by the new club captain (Steve Holt), new Ladies captain (Barbara Wilton) and the new Seniors' captain (Nick Hill).

At the end of the ceremony 24 teams played in a four-ball Texas Scramble competition.

The "shotgun start" enabled every team to start at the same time and thus completed their rounds simultaneously.

The winners by 1.2 shots were Paul Gamble, Trevor Paul, Anthony Roy & Terry Rutherford who returned a score of 56.3.

The best-placed Ladies team was Janet Warner-Booth,

JUST two Division One games were played indoors as the weather once again took its toll bringing the number of cancelled matches to 12.

With Vicky Chamings playing well, Uplowman proved too strong for Signs South-West. With Jodie Potter back to her best for SSW they tried hard to keep in contact and did enough to

Social 'Beast' tamed!

HONITON RUNNING CLUB with Judy Davy

AFTER the recent wet weather the forecast was perfect for this year's Honiton Running Club's Blackdown Beast; mild and dry.

There was a good amount of mud to sap the legs meaning the 16.3 miles were hard work. The Beast is always a sell-out and this year was no different with 160 runners coming from all over Devon and some from further afield.

It was Burn's Night that evening and the event had a contingency of Scots men and women all adorned with kilt, sporran and ginger beard!

The event is a social run with several stops on route taking in the scenery of the beautiful Blackdown Hills.

The event began and ended at the Highfield Sport and Social Club, Dunkeswell.

The first stop, after 7½ miles was Smeathparre Village Hall where participants were treated to delicious hot sweet mulled cider and equally delicious warming pasties.

Thanks to the ladies of the WI for making and serving this very welcome sustenance. The next stop was the Sidmouth Arms, Upottery where some runners took the opportunity of taking a mini bus back to Dunkeswell having completed 10 miles.

For others, it was on to the Luppitt Inn; one of the smallest pubs in the country. Organisers made sure the landlady knew runners were coming as opening times are flexible!

The last leg then takes runners across private

land back to Dunkeswell.

As always all participants thoroughly enjoyed the day with many looking forward to the summer version; the Blackdown Beauty.

The date has been set for 25th June and places are likely to go fast for this event too so look out for further information on www.honitonrc.com and to register your interest very soon.

Thanks to the landowners for allowing runners to churn up the already boggy fields. Money raised will go to Macmillan Cancer Support.

AXE VALLEY RUNNERS with Dave Mutter

FEELING a bit down with all the rain – then why not escape for a few weeks?

Carol Austin and Lesley Adams have just returned from three weeks in Australia during which time they took part in three parkruns.

Parkrun, a free weekly timed 5k, is now truly international and a very welcoming community to all "parkrun tourists".

They ran St Peters parkrun, Merimbula parkrun, and Albert Park parkrun in Melbourne. Both managed new PBs in Melbourne having already taken part in that run four years ago.

Lesley was pleased to be second in her age group W60 in Sydney and Melbourne, and first W60 in Merimbula.

Carol jogged Sydney but was then pleased to be second in her age group W50 in the other

Boxing in Bodmin

◆ **TESTING TIMES:** There were two very hard fights at Camberley ABC on Saturday, January 16th for Chard, Ilminster & District club boxers Shane Hughes and Mitchell Ayers. Both put up valiant performances and landed some skillful punches, but both ended up on the wrong end of the judges decisions. Club spokesman Teresa Pacheco said: "It was an excellent experience for our young boxers to fight in London clubs," The following day a group of the club's members (pictured above) travelled to Bodmin ABC for a Cornwall Squad open sparring and training session.
